Course 2
SCI 488 - Senior Science Capstone 2

Course

SCI 488 - Senior Science Capstone

The student will, under scientist supervision, carry to completion an independent scientific research project of a biological nature. The data collected from BIO/MTH 487 will be used to write a scientific paper which will be edited and formatted into a document suitable for publication in a peer reviewed journal. Additionally, the student will present this work to faculty and students in a manner appropriate for presentation at a research conference. The project will be written in a scientific style suitable for publication and presented to faculty and students at completion. Prerequisite: Senior standing and satisfactory completion of SCI 405 and at least 2 credits of BIO/MTH/SCI 487.

Grade Basis: L
Credit hours: 3.0
Lecture hours: 0.0
Lab hours: 0.0

Prerequisites:

- SCI 405 - Introduction to Biological Research
- SCI 487 - Senior Research Data Collection
-
