Course

BIO 405 - Introduction to Biological Research

This course is an introduction to methods of biological research and writing. The topic for a senior research project is chosen, a literature search is started and a formal proposal is made; each of these must be approved by the professor and the research director. The research director may be a Midway University faculty member or a scientist at another facility, subject to professor's approval. Prerequisite: Junior standing and a minimum of 12 hours each of biology and chemistry.

Grade Basis: L

Credit hours: 3.0

Lecture hours: 3.0

Restrictions:

- Junior standing and a minimum of 12 hours each of biology and chemistry.
