Course

BUSM 540 - Organizational Behavior

This course focuses on the patterns of interaction that occur among people and teams in organizations and on how these interactions impact the organization. The course assists a learner in developing a clear understanding of the organization internally and of how an organization can transform its competitiveness externally by virtue of how well it copes with and develops major behavioral issues in the day-to-day management of the enterprise.

Grade Basis: L
Credit hours: 3.0
Lecture hours: 3.0
