## Table of Contents

Midway University Course Catalog.....	2
Admission to the College Readiness Program.....	2

For the two courses of study, students' English proficiency levels will be assessed upon arrival to the University in order to determine proper placement into the course of study. The test will be administered three times per academic year, at the beginning of the summer, fall, and spring terms. Successful completion of the course of study will be determined by the students' TOEFL score.

## Admission to the College Readiness Program

Students who wish to enter the College Readiness Program (CRP) must apply to the Midway University Office of Admissions. The completed CRP admission packet must include:

- CRP application for admission
- Complete, official academic records, in English, sent directly to the Office of Admissions, Midway University, 512 East Stephens Street, Midway, Kentucky 40347-1112. Records should include courses taken, grades received, and degrees or certificates earned. An explanation of the coding system used to evaluate the student's work should accompany the records. CRP students must have completed their country's equivalent to the American high school diploma.
- Financial guarantee information. United States immigration regulations require that students demonstrate their ability to finance the first year of education before receiving the I-20 AB form. The financial information form must be included with required documentation (bank statements, etc.).

After all the documents are received, the Office of Admissions will make its decision and send the I-20 A-B form so that the student can apply for the F1 visa.
