Course

TEM 490 - Internship

Internship courses allow practical application of classroom knowledge and intentional development of skills applicable to the student's professional growth. This experience focuses on the combination and integration of various concepts by applying them to the analysis and solution of problems viewed in the context of tourism and event management studies. The internship experience requires 135 hours of relevant field work at the internship site in addition to scheduled class meetings. Students will be under the supervision of faculty and site supervisors. Students will gain practical hands-on experience, enhance skills learned in the classroom, and acquire contacts with professionals in the field. Students will be expected to complete reflections and demonstrate learning through a final project or presentation. Internship courses are graded Pass/Fail. May be repeated once.
